Such costs arise from annual decisions by management to spend on certain fixed cost items, such as advertising, research, and management development. A committed fixed cost has a long planning horizon—generally many years. Such costs relate to a company's investment in facilities, equipment, and basic organization.

### **Chapter 5**

26 Managerial Accounting, An Asian Perspective Exercise 2-6 (15 minutes) A few of these costs may generate debate. For example, some may argue that the cost of advertising a rock concert is a variable cost because the number of people who come to the rock concert depends on the amount of advertising.
