This study originated as the original draft of Marine Corps Doctrinal Publication 1-1, Strategy (1997). Although it was written under USMC auspices, there is nothing service-specific about it. Rather, it was designed to address the fundamental question, "What is the role of organized violence in the pursuit of political goals?"

International relations scholarship prior to World War I was conducted primarily in two loosely organized branches of learning: diplomatic history and international law. Involving meticulous archival and other primary-source research, diplomatic history emphasized the uniqueness of international events and the methods of diplomacy as it was actually conducted.
