Moon River Vampire For Hire

"Moon River" is book #8 of the "Vampire for Hire" series. After improving dramatically after the weak book #3, this book is a new low in the series. The first 20% is in-your-face plugging for lots of short stories by the author (books 7.2, 7.4, 7.6 and perhaps more - none of which are on audible). The rest of the book is just a mess.
