More than Just Race | W. W. Norton & Company

More Than Just Race is somewhat ponderous and academic in style; too often the book details an important and fascinating question only to end inconclusively, with a call for "further research." But this is more than made up for by its considerable substantive virtues: it is straightforward, accessible and sensible, free of the ideological cant ...

PRRAC Poverty & Race

More Than Just Race: Being Black and Poor in the Inner City by William Julius Wilson It has been decades since it was fashionable to talk about the poor in the United States, especially if they are black. The last political candidate who was a champion of the disadvantaged was the late Senator Robert F. Kennedy. He truly identified with them, and during his run for the presidency in 1968, he ...
