Modern furniture refers to furniture produced from the late 19th century through the present that is influenced by modernism. Post-World War II ideals of cutting excess, commodification, and practicality of materials in design heavily influenced the aesthetic of the furniture. It was a tremendous departure from all furniture design that had gone before it.

In home decorating, if you enjoy things that are modern and like to keep current with the styles of the moment, you are a follower of contemporary style. While it's sometimes thought that "modern" interiors are cold and minimalist, in today's homes, contemporary interiors are comfortable and welcoming without being cluttered and dark.
