Author comes from the Latin word auctorem, meaning "founder, master, leader." Bow down to the author! Well, no need for that, just make sure the author gets credit. Author usually refers to a professional writer. In fact, author can be used interchangeably with the word writer. But author packs a little more punch — an author is involved in the creation of the work and generating the ideas ...

An invading force enters a land not with the purpose of assimilating, but conquering the nations they enter and forcing everyone else to abide by their cultural practices. In the past, this was accomplished by an invading army fighting a war. Today, it is accomplished by people coming through the back door (or even the front door) as they hurl every type of insult they can at those whose land ...
