Examples of Microaggressions in the Classroom Microaggressions: everyday verbal, nonverbal, and environmental slights, snubs, or insults, whether intentional or unintentional, which communicate hostile, derogatory, or negative messages to target persons based solely upon their marginalized group membership. - Derald Wing Sue, Ph.D.

Examples of Microaggressions in the Classroom

It angers me when people measure my race by the way I talk, dress, and carry myself. It's as if black women can't possibly be educated and come from a family with both parents. What sucks the most is that my close friends still say comments like "you're not really black," or "but they're the other kind of black girls."

power, privilege, and everyday life.
