On The Mystery Discerning Divinity

On the Mystery: Discerning Divinity in Process This delightful book is real theology, which means that Dr. Keller grapples with the major issues of the discipline. But her writing makes it possible for any reasonably intelligent person to follow the arguments and relate to the humanity of the author.

On the Mystery: Discerning Divinity in Process: Catherine ...

Through a marvelous combination of brilliant writing, story, reflection, and unabashed questioning of old shibboleths, Keller redeems theology from its dry and predictable categories to reveal what has always been at the heart of the theological enterprise: a personal search for intellectually honest and credible ways of making sense of the ...

On the Mystery: Discerning Divinity in Process: Catherine ...

On the Mystery can be categorized as an introduction to a postmodern process theology, which is a theological system that contains a number of elements I commend, but that ultimately falls flat for me. Keller's language is often cumbersome and incredibly verbose, which was a real barrier to my enjoyment of the book.

On the Mystery: Discerning Divinity in Process by ...

With immediate impact and deep creativity, Catherine Keller offers this brief and unconventional introduction to theological thinking, especially as recast by process thought. Keller takes up theology itself as a quest for religious authenticity. Through a marvelous combination of brilliant writing, story, reflection, and unabashed questioning of old shibboleths, Keller redeems theology from ...

"Review: Catherine Keller's, On the Mystery: Discerning Divinity in Process". In contrast to the "unmoved mover" (98) of its Greek philosophic roots, Christianity describes an embodied God who "lures us into becoming and receives what we become—and is therefore affected by that shared becoming " (128).
