I spent my childhood on the cold and wild coast of the North East of England, and as an adult, I've returned time and again to the sea. Moonlight is a lonely labour of love; I have now spent more than four years venturing to the English, Italian, Scottish, and Welsh coasts on dark nights, with only the moon to light my way.. Every since the first whispers of lycanthropy in First Century ...

Moonshine was originally a slang term for high-proof distilled spirits that were usually produced illicitly, without government authorization. In recent years, however, moonshine has been legalized in various countries and has become a commercial product. Legal in the United States since 2010, moonshine is defined as "clear, unaged whiskey", typically made with corn mash as its main ingredient.

Emerald Sep 14 2017 8:40 am We all have different taste but for me this is a must watch drama. I love the cast. The only thing i hate here is Swan's hair. She's a pretty woman but i don't think her haircut fits to her faceshape. (Although i know that it is one of her role requirement :) ) Overall, this is a great show so dont hesitate And watch it.
