We tend to accept that people in authority must be right. It's this assumption that Socrates wanted us to challenge by urging us to think logically about the nonsense they often come out with, rather than being struck dumb by their aura of importance and air of suave certainty. This six part series ...

If your particular government DID legalize ( and I can see it happening....maybe! ) the tax they put on it would secure them millions. Bringing weed out into the open and legal would see the end of Dealers on the street corners, help thousands of cancer patients and others in pain etc...Yes, I dont know it all, I've smoked it and can honestly say I have never been violent or aggressive , I ...
