New Penguin Parallel Text Short

The word penguin first appears in the 16th century as a synonym for great auk. When European explorers discovered what are today known as penguins in the Southern Hemisphere, they noticed their similar appearance to the great auk of the Northern Hemisphere, and named them after this bird, although they are not closely related.. The etymology of the word penguin is still debated.

In the vernacular of space, this is T minus one hour. Sixty minutes before a human being named Major Robert Gaines is lifted off from the Mother Earth and rocketed into the sky, farther and longer than any man ahead of him. Call this one of the first faltering steps of man to sever the umbilical cord of gravity and stretch out a fingertip toward an unknown.
