I published 'Marine Cadet' over Christmas 2014. I was out of money and already interviewing for a 'proper job' before the book came out. Eight weeks later, and the Human Legion had sold 30,000 copies. I canceled my job interviews. Fans explained that they felt the characters had become their friends. I feel the same, and hope you will to.

2566 AD. Unlike the other Marines on board the troop ship Beowulf, when 18-year-old Arun McEwan is woken from cryo to board an enemy ship, he already knows that he will survive: his destiny to lead the Human Legion has been foretold. But there are other factions who will stop at nothing to bring about their rival dreams for humanity's future.
