Singapore Kangaroo Math Contest. Mathematical Kangaroo (also International Mathematical Kangaroo and Kangourou sans frontières, the original French name) is an international mathematical competition with more than 70 countries that take an active part in it. The key competence tested by the Kangaroo is logical combination, not just pure knowledge of formulas.

Lack of water creates a survival problem for all desert organisms, animals and plants alike. But animals have an additional problem -- they are more susceptible to extremes of temperature than are plants. Animals receive heat directly by radiation from the sun, and indirectly, by conduction from the ...

Like billowing sails out on the harbor, the iconic Sydney Opera House has become a symbol of Australia as much as the kangaroo. Danish architect Jorn Utzon's design was revolutionary in 1957, when it won an international competition. It was originally planned to contain a large hall for opera and a smaller theater for concerts and drama.

The Electric Company is an American television series for young children ages 6 to 10 on PBS, derived from the 1971 series, and which has the same Alphakids from that series. Like the original, this version was produced by Sesame Workshop. The series ran on PBS Kids Go! from January 23, 2009 to April 4, 2011. A fourth season was planned, but the show was canceled before it went into production.
