Never Too Late by Robyn Carr - Goodreads

NEVER TOO LATE is an older book of Carr's, copyrighted in 2006, but it didn't seem dated. I loved the main characters of the story - sisters Clare and Sarah - and their sexy love interests (no spoilers here). Romance, family ties, sexy moments - all tied together in another winner from Robyn Carr.

15 Years Too Late I am a huge Robyn Carr fan, which makes me feel guilty about writing a less-than-positive review of Never Too Late. Never Too Late falls somewhere in the middle. It's not strictly a romance for several reasons, but it certainly revolves around romance.
