Characters: Kira the heroine was adorable. Despite being a new vampire, she was age appropriate, not perfect, and not angsty over the abrupt change ...

NEVER BITE A BOY ON THE FIRST DATE is another fun addition to the world of vampire fiction. While it didn't blow me away, I had fun while I was reading it. It's a cute romantic comedy with a vampire twist. Kira was a solid main character. She was funny, nice, and easy to relate to. The three boys in her life were all quite enticing, as well.

Plot: I was a little confused at first. Never Bite A Boy on the First Date reads like it's the sequel. I couldn't help but wonder if the author wrote another book that didn't get published.
