Use features like bookmarks, note taking and highlighting while reading Mining the Social Web: Analyzing Data from Facebook, Twitter, LinkedIn, and Other Social Media Sites.

### **Mining the Social Web: Analyzing Data from Facebook ...**

Mining the Social Web was going to look immediately dated if we had an entire chapter devoted to a social network that was about to disappear. So Matthew heroically rewrote the chapter, keeping many of the great examples around mining text data, which are universal, and making sure that our book would have a better shelf life.
