While One Silent Night's story about Stryker's lost love is interesting, I think I would prefer to leave the bad guys bad. The dynamics are changed a bit. One Silent Night: Dark Hunter, Book 12 Wow! Bad doesn't even describe this book. Total waste of time. This book was so dark, it had no redeeming qualities for the characters. You had to get past the narration which was beyond awful. The story line stunk also. I actually liked this series until I listened to this book.
