Five things Minecraft teaches kids. The popular build-and-survive video game Minecraft could very well be the most surprising tech success of this decade.

Five things Minecraft teaches kids - USA TODAY

Minecraft is a sandbox video game created by Swedish game developer Markus Persson and released by Mojang in 2011. The game allows players to build with a variety of different blocks in a 3D procedurally generated world, requiring creativity from players. Other activities in the game include exploration, resource gathering, crafting, and combat. Multiple gameplay modes are available.
