Staff and line are names given to different types of functions in organizations. A "line function" is one that directly advances an organization in its core work. This always includes production and sales, and sometimes also marketing. A "staff function" supports the organization with specialized advisory and support functions.

Staff and line - Wikipedia

A two-tiered literature search for papers on Business Intelligence & Analytics (BI&A) and management accounting (MA). • Relatively little empirical research on BI&A and management accounting.

Business intelligence & analytics in management accounting ...

Corporate finance is an area of finance that deals with sources of funding, the capital structure of corporations, the actions that managers take to increase the value of the firm to the shareholders, and the tools and analysis used to allocate financial resources. The primary goal of corporate finance is to maximize or increase shareholder value. Although it is in principle different from ...
