### **Mommy May I Ak Alexander**

review 2: This is the second AK Alexander book I've read in the last few months. They're not highbrow or complicated, and I did... more I figure out who the killer was a little over halfway through. It was short enough for me to read in a couple of sittings in one day so it's not a book that will last and last. But what this book is about is a ...

Mommy May I is the first A.K. Alexander book that I have read and I really enjoyed it. Helena Shea was a teenage mother-to-be who had to make the ultimate decision...Do I keep my child with me, or let the father(who is married) raise the baby as their own? Helena believes she makes "the best" decision for her child and gives her baby up.
