Space is the boundless three-dimensional extent in which objects and events have relative position and direction.. Space, SPACE, spacing, or the space may also refer to:

Space (disambiguation) - Wikipedia

The primary source of information about books on railway history is George Ottley's monumental bibliography, with its two supplements (no serious public library can claim to be that if Ottley is not available). Jack Simmons' overall evaluative surveys of the literature (both in his own books and in the Oxford Companion - Ottley is mainly non-evaluative) are also useful, but Simmons was less ...
