As thrilled as I am that the Riftwar Saga has finally come to Kindle, I loathe Feist for going back and tacking on numerous sections that were edited out in the original version. Magician, the first novel in what became known as The Riftwar Saga, was a book that quickly took on a life of its own. Magician Apprentice/Master AWESOME! :) I really enjoyed the adventures of Pug Thomas Arutha and all the characters within this saga. I am continuing to read the other books and find it all very exciting and suspenseful. I did not like that Pug did not end up with Carline. I thought it would have been awesome that way.
