Notes From An Exhibition Patrick

Notes from an Exhibition. When troubled artist Rachel Kelly dies painting obsessively in her attic studio in Penzance, her saintly husband and adult children have more than the usual mess to clear up. She leaves behind an extraordinary and acclaimed body of work - but she also leaves a legacy of secrets and emotional damage...

Notes from an Exhibition by Patrick Gale - Goodreads

Notes from an Exhibition (2007) In the name of filial duty I was putting my usual responsibilities on hold, my impatience dulled by regular, old-lady treats from M&S, nightly gin and nibbles on the dot of six, and a strange regression to a sexless but immensely peaceful second adolescence.

Patrick Gale » Notes from an Exhibition

Notes From an Exhibition. He is the still, solid, positive presence, his Quaker philosophy and way of living supplying a warmth and spirituality that transforms sometimes depressing material. This is an uplifting, immensely empathetic novel, and Gale's prose, as ever, is as clear and bright as the Cornish light.

Review: Notes From an Exhibition by Patrick Gale | Books ...

It is always a little dispiriting not 'getting' a book that others hold close to their hearts. Patrick Gale's Notes from an Exhibition is a Goodreads smash, its appeal straddling ages, genre-snobbery and borders. Not only that, but national treasure and the unofficial-cleverest-man-on TV, Stephen Fry, LOVES it.

Notes From An Exhibition by Patrick Gale - TheBookbag.co ...

Just read Patrick Gale's excellent Notes From an Exhibition for our bookgroup. Actually I had bought it before it was chosen as a book group book because I'm a PG fan but, anyway, last night was discussion night. The starting point of the book is the recent death of once famous, now rather declined artist Rachel Keen.

Hawkins Bizarre: Notes from an Exhibition

Another brilliant book from Patrick Gale. All the elements we have come to expect - fantastic characterisation, insightful study of family dynamics, several points of view, twists and turns along the way. The idea of beginning each chapter with a note from an exhibition seems like the kind of thing I wouldn't like, but it was great actually.
