On Aggression Konrad Lorenz

On Aggression (German: Das sogenannte Böse zur Naturgeschichte der Aggression, "So-called Evil: on the natural history of aggression") is a 1963 book by the ethologist Konrad Lorenz; it was translated into English in 1966. As he writes in the prologue, "the subject of this book is aggression, that is to say the fighting instinct in beast and man which is directed against members of the same ...

On Aggression - Wikipedia

Konrad Lorenz proposed in "On Aggression" the theory that the violence is something good and necessary for all the animals. Self-defense would be the reason why species have developed this mechanism of behavior over the centuries. Unfortunately, Lorenz had a big knowledge about animals, but he did not understand this matter in all its ...
