Jay Allan - Book Series In Order

Would you try another book from Jay Allan and/or Jeff Bower? The Story was well written and you can tell Jay Allan spent a lot of time creating and researching his worlds. I found the story a little fast and not enough character development. Lots of action. The performance was ridiculous; the narrator did little to further the story or the series.

Order of Jay Allan Books - OrderOfBooks.com

review 1: This is a good example of whether this is a good book or a bad book depends upon what you enjoy reading. There are many ratings from 1 starts to 5 stars but all seem to agree that the book is reasonably well written and edited. if you enjoy a sci-fi military story that focuses on one battle to the next battle and the systems and weapons used, with virtually no character development ...
