review 1: Master Over You is not a book suitable for children and teens under the age of 18, so be warned.Noah and Angeline are slave traders with haunting, yet similar pasts. I picked this book up because of the cover, it's catchy. Master Over You falls more on the dark romance side.. This was a really crazy book, I happened to like this much better than the overrated Fifty Shades series.

Master Over You is the mindfuck to end all mindfucks. You are not going to get any darker than this book. We start off with Noah kidnapping a girl to train as a sex slave and sell her later down the road. When he is about to rape her, he gets kidnapped himself. And then the fucking world ends. Noah finds out what hell truly is at the hands of ...
