Once Every Never 1 Lesley

Once Every Never by Lesley Livingston is a fantastic, engaging and highly entertaining Young Adult novel for those who like adventure. Lesley's smooth writing style is irresistible and incredibly impressive, I absolutely loved it. Clare (or Clarinet if you prefer) is pretty much your typical teenager girl, with a dose of sass.

Once Every Never (Never, #1) by Lesley Livingston

Lesley Livingston delivers an uncomplicated and gripping read with Once Every Never. I'm a sucker for a romantic tale of time travel but combine it with a splash of paranormal and I'm sold! This is the first book that I've read by this author and it definitely won't be the last!

This is the kind of adventure that happens to a girl once every... never. The adventure continues when Clare's best friend, Allie McAllister, makes an unexpected discovery at an archaeological dig site in Glastonbury—a skull—and the grisly artifact sends her spiralling back in time to a Roman encampment besieged by rampaging Celts.

Once Every Never: Book One Of The Once Every Never Trilogy ...

Only in a Lesley Livingston book and Once Every Never had all this in spades. Clare was just adorable. A bit naive at times, but in such an endearing way. I loved reading the story through her eyes and learning all the history with her quips and humor. She was a bit of a reluctant narrator. At the beginning of the story, she didn't even like or ...
