Managerial Accounting What Joe needs to understand is that employee salaries can be taken out of company expenses. The reason for this is because paying employees their wages is something that is important to the functioning of a business. For example, if a company has not paid its employees for a long period of time, then it is likely that those salaries would go under liabilities on the ...

Managerial accounting helps managers and other decision-makers understand how much their products cost, how their companies make money, and how to plan for profits and growth. To use this information, company decision-makers must understand managerial-accounting terms. When planning for the future, they follow a master budgeting process. To prepare this budget, and to understand how [...]
