### **Modern World History Guided Reading**

Modern history, the modern period or the modern era, is the linear, global, historiographical approach to the time frame after post-classical history. Modern history can be further broken down into periods: The early modern period began approximately in the early 16th century; notable historical milestones included the European Renaissance, the Age of Discovery, and the Protestant Reformation.

From August 1914 to November 1918, an unprecedented catastrophe gripped the world that continues to reverberate into our own time. World War I was touched off by a terrorist act in Bosnia and all too quickly expanded far beyond the expectations of those involved to become the first "total war." It was the first conflict in which entire societies mobilized to wage unrestrained war, investing ...
