Greek mythology is the body of myths originally told by the ancient Greeks. These stories concern the origin and the nature of the world, the lives and activities of deities, heroes, and mythological creatures, and the origins and significance of the ancient Greeks' own cult and ritual practices. Modern scholars study the myths in an attempt to shed light on the religious and political ...

Reinterpreting History: How Jesse James Differs from Standard Accounts 1. Taking a Scholarly Approach Why another book about Jesse James? There have been many books about his life, some very recent, some well-researched (both in the case of Ted Yeatman's Frank and Jesse James). With one notable exception, however, these have been nonscholarly works, dedicated to getting the details right--to ...
