Now You See it: Simple Visualization ... - Google Books

Now You See It does for data analysis what Stephen Few's book Show Me the Numbers does for data presentation: it teaches simple, fundamental, practical techniques that anyone can use—only this time they're for making sense of information, not presenting it. These techniques rely primarily on something almost everyone has: vision.

Perceptual Edge - Library

Now You See It explores film themes and tropes. It's like a college film analysis class minus the lecture halls, essay assignments, and student loan debts.
