Martial race was a designation created by army officials of British India after the Indian Rebellion of 1857, where they classified each caste into one of two categories, 'martial' and 'non-martial'. The ostensible reason was that a 'martial race' was typically brave and well-built for fighting, while the 'non-martial races' were those whom the British believed to be unfit for battle because ...

Martial race - Wikipedia

The purpose of this study is to derive an improved method for analyzing old buildings with risk of collapse using public big data. Previous studies on the risk of building collapse focused on internal factors such as building age and structural vulnerability.
