I am currently waiting for billing or anybody from Network Solutions/Web.com to contact me and tell me why they "suspended" my account this morning. Meanwhile, the 4 websites under this account are dead, as is their e-mail. DIRTY SECRET: They charge an automatic monthly fee of \$44.99 for hosting, but they CHARGE EVERY 30 DAYS.

Support | Web Solutions, Inc.

WebLock starts with the assumption that user credentials can be easily compromised through systems and processes outside of Network Solutions' control and that the domains must be protected even in the event of such a compromise. WebLock is designed to help protect your website even if your username/password is compromised.
