Amazing, just wow. PLEASE write more because i read this multiple times and came everytime. The errors dont matter except the double sentence, and i love that you didnt say what they were, that lets you create them how you want rather than leaving it at specifcly a vamp or human or them being in their teens or in their thirtys. I think though in the end everyoje agrees that you should write more.

TED Talk Subtitles and Transcript: Renowned paleontologist Jack Horner has spent his career trying to reconstruct a dinosaur. He's found fossils with extraordinarily well-preserved blood vessels and soft tissues, but never intact DNA. So, in a new approach, he's taking living descendants of the dinosaur (chickens) and genetically engineering them to reactivate ancestral traits — including ...
