American Idiot is the seventh studio album by American rock band Green Day, released on September 20, 2004, by Reprise Records. Following disappointing sales of their previous album Warning (2000), the band took a break before recording their next album, titled Cigarettes and Valentines. The recording process was cut short when the album's master tapes were stolen, and rather than re-recording ...

The Idiot Hero is a common character in action series. Often, he or she is both The Protagonist and the central character of the narrative. He will frequently use the Indy Ploy, will be too stupid to be afraid of imminent peril, and will often have a short memory span. Despite all of this, he is the most effective member of the cast at fighting. He will also usually be the leader of a tight-knit ...
