Milestone, the leader in commercial NVR software came out with a new release a few weeks ago and they have made some good improvements. Milestone is one of my favorite NVR solutions and has some of the widest coverage of network cameras out there as well as very good smartphone apps and remote browser access.

However, few research articles consider the steps of social media analytics. Such frameworks take the form of process models. Fan and Gordon (2014) propose a process for social media analytics consisting of three steps "capture", "understand", and "present". The authors state that the step of capture consists of gathering the data and preprocessing it, whereas pertinent information ...
