Orfeo Richard Powers

"Monumental...The Overstory accomplishes what few living writers from either camp, art or science, could attempt. Using the tools of the story, he pulls readers heart-first into a perspective so much longer-lived and more subtly developed than the human purview that we gain glimpses of a vast, primordial sensibility, while watching our own kind get whittled down to size...A gigantic fable of ...

The Overstory - Richard Powers

The Overstory displays some of the formal and stylistic ingenuity we have come to expect from a Richard Powers novel, from his acoustically adventurous prose to his multiple, intertwined narratives (even more multiple in this novel), so characterizing it as purely "agitprop" would be neither fair nor accurate, although the novel is certainly transparent enough in its effort to promote ...
