"Mad, Bad, and Sad" documents, too, the restrictive manner in which solutions to that central problem have been arrived at not by those who suffer, but, increasingly over the last two centuries, by those who don't — the ways that the "inner experience of madness, madness from the point of view of the sufferer" comes up against "what Michel ...

Female Trouble: 'Mad, Bad, and Sad' - The New York Sun

In Mad, Bad and Sad Lisa Appignanesi sets out to describe the relationship between psychiatry and women over the last 200 years. This is no small ambition but the resulting book is serious, well researched, fascinating and above all humane. Appignanesi uses the biographies of well known women, including writer Mary Lamb, French revolutionary Theroigne de Mericourt, Alice James (sister of Henry ...
