Do You Have Good Timing? 4 Signs to Look For

Just at that moment a friend happens to arrive unexpectedly. What timing! (If they had arrived a few minutes earlier or later they would not have met and been able to help.) Sometimes "What timing!" is used ironically to mean "What bad timing!" i.e something happens at a very awkward moment.

What timing. | WordReference Forums

Traveling Into the Past. It turns out that people time travel all the time, but only in one direction: from the past to the present and moving into the future. Unfortunately, no one has any control over how quickly that time passes and nobody can stop time and continue to live. It seems that time is a one-way street, always moving forward.
