Q: " Why does America stick with the Imperial system instead of going to the metric like the rest of the world?" - Vick T. A: There seems to be a consensus even among Americans that the metric system is superior and that it's only stubbornness that gets in the way of its implementation here in America. However, I disagree. While the metric system does have advantages over the imperial ...

Before this Lemon Velvet Cake, it all started with me trying to develop the best Red Velvet Cake recipe I could. It was such a success and I loved the moist, tender texture of that cake so much that I just had to try a White Velvet Cake and then an Orange Velvet Cake.. Those turned out to be a couple of the most popular cake recipes ever on Rock Recipes so I couldn't stop there.
