### **On Liberty And Other Essays**

An enduring collection of Mises's essays, some popular and others scholarly, but always engaging and provocative. The first edition came out in 1952, and headlined the essay "Planning for Freedom," which makes the point that the choice isn't between a planned economy and an unplanned one but rather one between government planning and planning by property owners.

Ironically the name "Sons of Liberty" was adopted from a debate in Parliament in 1765 about the Stamp Act. During this debate Charles Townshend who supported the act referred to the colonists as "children planted by our care, nourished up by our indulgence and protected by our arms." Isaac Barre, a member of Parliament who was against the Stamp Act declared that the Americans were not ...

Turning Point: Fall of Liberty received "generally unfavorable reviews" on all platforms according to the review aggregation website Metacritic. IGN noted the unique concept for the game's plot, but criticized the quality of the gaming experience as "archaic". Other criticisms included a flat, linear storyline that provided little characterization, a lackluster and unamusing multiplayer mode ...
