As for Mafia Captive, I wasn't sure how I was going to like it. I had heard several people rumbling about how it was so different for Kitty. The main character, Faith, wasn't even kinky. review 1: It wasn't great but it still wasn't bad. I felt like there were a lot of unanswered questions and also not half as dark as everyones making it out to be. The guy, Leo kind of went against what he said a lot.

Mafia Captive By: Kitty Thomas 5/5 stars This book is billed as a lighter novel than most of the rest of Kitty Thomas' work and has more of a love theme, but it is still psychologically dark. That being said, I still loved this book. Faith happens to be in the wrong place at the wrong time and is witness to a mafia hit.
