### **D'Youville College - Buffalo New York**

For you to become a successful nurse, you will need to learn how a nurse thinks on the job. In nursing school, you will learn how to do an IV, dress a wound and to save lives, but there is more to being a nurse than just having good clinical skills. Standard protocols in nursing will work 99% of the time, but what about that 100th time when they don't work?
