This article is partitioned into three parts. Part A) Preparation and part B) Mindset focus on the organization of information that makes it easier for you to recall. Part C) is the main part of the concept of "studying smart".. A) Preparation 1. Get a study game plan. You want to study smart, right? Hence, it makes sense not to approach your work in an unfocused, undirected way.

The cost of attending college has more than doubled since 1980. Public universities now average \$12,283 annually and private universities have exceeded \$31,233, according to the United States Department of Education. Community colleges had once been considered the affordable way to attend college, but even their price tags have risen over the years.
