Mental Arithmetic 5 Answers - Schofield & Sims

The name mental arithmetic test isn't completely accurate – you're allowed to write things down rather than do everything in your head. In the real tests, you're typically allowed to write down your working out, but you're not permitted to use a calculator. You need to be able to deal with questions on basic arithmetic, [...]

Mental Maths Practise Year 5 - Math Worksheets Printable ...

Although this is a mental maths test and the children should be doing the majority of working out in their heads, it is sometimes useful to write jottings down to help work out the answer. This is more than acceptable and good practice in case they need to go back (if they have spare time on one question) to finish working it out.
