Marvel Knights The Inhumans Paul

The Inhumans are a fictional group of superhumans appearing in American comic books published by Marvel Comics. The comic book series has usually focused more specifically on the adventures of the Inhuman Royal Family, and many people associate the name "Inhumans" with this particular team of super-powered characters.

Inhumans - Wikipedia

Inhumans by Paul Jenkins collects twelve issues of the Marvel Knights book, a more mature line from the Marvel comic franchise. Jenkins immersed me to the world of the Inhumans, a race of superhumans formed from the Terrigen Mist. The artwork usually commands my overall mood in reading comic books but that was not the case in this series.

Inhumans (Video 2013) - IMDb

The Inhumans are a fascinating Marvel concept linked to Bronze Age Fantastic Four, so the revival in the late 1990s and aughts is by no small part thanks to the book by Paul Jenkins. The Inhumans get compared to the X-men a lot as they are super beings from genetic mutations, but they have the arc of classical tragedy, not social metaphor.
