Design of Small Groups - Intuitor

Many instructors from disciplines across the university use group work to enhance their students' learning. Whether the goal is to increase student understanding of content, to build particular transferable skills, or some combination of the two, instructors often turn to small group work to capitalize on the benefits of peer-to-peer instruction.

Group work: Using cooperative learning groups effectively ...

Group decision-making (also known as collaborative decision-making) is a situation faced when individuals collectively make a choice from the alternatives before them. The decision is then no longer attributable to any single individual who is a member of the group. This is because all the individuals and social group processes such as social influence contribute to the outcome.

Group decision-making - Wikipedia

This movement began with a few young college men who started the first small group in Methodism. Commonly known as the Holy Club, the concept of personal holiness and social holiness caught fire.
