### **Never A Mistress No Longer**

A mistress is a relatively long-term female lover and companion who is not married to her partner, especially when her partner is married to someone else.. Generally, the relationship is stable and at least semi-permanent, but the couple does not live together openly and the relationship is usually, but not always, secret.

While William Shakespeare's reputation is based primarily on his plays, he became famous first as a poet. With the partial exception of the Sonnets (1609), quarried since the early 19th century for autobiographical secrets allegedly encoded in them, the nondramatic writings have traditionally been pushed to the margins of the Shakespeare industry.
