This decision as to who will be running your life from here on in will determine the course your life will now take. If you decide to run your own life and call all of your own shots, then your life is going to take a completely different course as versus the one it would take if you would turn your entire life over to God the Father for Him to fully handle.

"It just happened." This is something I hear often from some readers and users at Scarleteen. That sex, consensual sex, sex they expressed wanting at the time, wasn't something a person actually, actively made choices with and participated in, but something that "just happened.". But when sex with a partner, of any kind, is consensual, it doesn't "just happen" to anyone involved.

Retiring early is a dream for many Americans, but one that few are sure they'll be able to reach. About half of Americans retire early — between the ages of 61 and 65. (that's a full five to six years before full retirement age as defined by the Social Security Administration), and 18% of Americans retire even earlier than that.

Mouthy dogs routinely grab at people using their mouths without causing injury. This often happens during play, exercise, and whenever they are overexcited. While puppies under five months tend to explore the world with their mouths, dogs past this age are considered adolescents and should no longer be play biting.
