My Mother Was A Computer

My Mother Was a Computer explores how the impact of code on everyday life has become comparable to that of speech and writing: language and code have grown more entangled, the lines that once separated humans from machines, analog from digital, and old technologies from new ones have become blurred.

My Mother Was a Computer: Digital Subjects and Literary ...

"Reading My Mother Was a Computer is like exploring a new planet. Hayles tirelessly researches new modes of thought in science and literature, brings these multiple discourses into critical conjunction with each other, and illuminates those areas of conjunction with rich, extended readings of literary texts.

My Mother Was a Computer: Digital Subjects and Literary ...

I believe my mother is addicted to her computer. Everyday, you will find her sitting at her computer almost non-stop, playing Solitaire & other card games. At the beginning, it didn't bother me. However, gradually over time, seeing her sitting almost constantly at her computer has begun to worry me. I'm worried because I think my mother has grown heavily-dependant on her computer to make her ...
